POST OFFICE, ABERDEEN.

POST OFFICE BUILDINGS—MARKET STREET.

WILLIAM MITCHELL, *Postmaster.* *Chief Clerk*—GEORGE WOOD.

Superintendent—DUN. COLLIE. *Superintendent of Telegraphs*—

On *Week Days* the Office is open for Postal business from 7 A.M. till 9 P.M., Postal Order business 9 A.M. till 9 P.M , and for Money Order, Savings Bank, Life Insurance, and Annuity business from 9 A.M. till 6 P.M. On Sunday the Office is open for Postal business from 9 till 10 A.M., and from 1 till 2 P.M. For Telegraph business there is attendance continuously during day and night both on Week days and Sundays, entrance after 9 P.M., first and second door in Shiprow.

Holidays.—New Year's Day, first Monday in May, and second Monday in September. On these days the Office will be open throughout the day for Telegraph Business, Delivery of *Poste Restante* Letters, Registration of Letters, and Sale of Stamps, but not for Money Order, Savings Bank, Insurance or Annuity, Postal Order, or Parcel Post Business.

Rates of Postage and Conditions of Transmission.

LETTERS—*(Inland).*

The rates of Postage when prepaid are as follows:—

For a letter	not above 1 oz.	1d
Do.	above 1 oz., but not above 2 oz.	1½d.
Do.	do. 2 oz., do. 4 oz.	2d.

And so on by ½d. for every additional 2 oz.

A letter posted unpaid is chargeable on delivery with double postage; if insufficiently paid, with double the deficiency.

No letter may exceed 18 inches in length, 9 in width, and 6 in depth, unless it be sent to or from a Government office.

If the stamps affixed to letters are mutilated or defaced, the letters will be liable to the unpaid rates.

Payment of postage cannot be made by means of imperfect postage stamps, or of embossed or impressed stamps cut out from envelopes, cards, wrappers, or telegraph message-forms, even although the stamps have not been before used.

Re-directed letters are charged an additional postage for each re-direction, according to the prepaid scale.

All persons sending letters by the post unpaid, which, from any cause whatever, cannot be delivered to the parties to whom they are addressed, are liable to pay the postage charged thereon, which may be recovered, with costs, by summary proceedings before a magistrate.

NEWSPAPERS—*(Inland).*

Inland Newspapers are subject to the following regulations:—

To have the privilege of passing as a newspaper, the publication must first have been accepted as a Newspaper by the Postmaster-General, and have been placed on a register at the General Post-Office, from which it is liable to be removed, either through the non-renewal of the registration fee, 5s., year by year, or in consequence of any change which may deprive it of the characteristics of a Newspaper. Registration for inland circulation includes registration for transmission abroad.

For each inland newspaper, whether posted singly or in a packet, the

postage, when prepaid, is one halfpenny; but a packet containing two or more registered newspapers is not chargeable with a higher rate of postage than would be chargeable on a book packet of the same weight, viz., one halfpenny for every 2 oz., or fraction of 2 oz.

A newspaper posted unpaid, or a packet of newspapers posted either unpaid or insufficiently paid, is treated as an unpaid or insufficiently paid book packet of the same weight.

The postage must be prepaid either by an adhesive stamp or by the use of a stamped wrapper.

No Newspaper can be sent through the post a second time for the origina postage; for each transmission a fresh postage is required.

Every newspaper must be posted either without a cover, or in a cover entirely open at both ends, so as to admit of easy removal for examination. If this rule be infringed, the newspaper is treated as a letter.

Every newspaper must be so folded as to admit of the title being readil seen.

A newspaper, or a packet of newspapers, which contains any inclosure (except supplements) is charged as a letter; unless the inclosure be such as might be sent at the Book rate of postage, and the entire packet be sufficiently prepaid as a Book Packet, in which case it is allowed to pass.

A newspaper which has any letter, or any communication of the nature of a letter, written in it or upon its cover, will be charged as an unpaid or insufficiently paid letter.

No packet of newspapers may be above 14lbs. in weight, two feet in length, one foot in width, or one in depth.

BOOK AND CIRCULAR POST—*(Inland).*

The Postage is one halfpenny for every 2 oz. or part of that weight.

A packet posted wholly unpaid is charged with double the book postage, and if posted partially prepaid, with double the deficiency.

Every book packet must either have no cover, or a cover entirely open at both ends, so as to admit of the contents being easily withdrawn for examination. It may contain any number of separate books or other publications, prints, or maps, and any quantity of paper, parchment, or vellum, either printed, written, plain, or any mixture of the three; together with whatever is necessary for the safe transmission of literary matter, or usually appertains thereto, to the exclusion of letters or any enclosure sealed or otherwise closed against inspection, or any communication of the nature of a letter written in any such packet, or on its cover. Entries, however, merely stating who sends the book, &c., or to whom it is given, are not regarded as a letter.

Circulars, *i.e.*, letters which are intended for transmission in identical terms to several persons, and the whole or the greater part of which is printed, engraved, or lithographed, may also be sent by book post.

No book packet may be above 5lbs. in weight, 18 inches in length, 9 inches in width, and 6 inches in depth, unless it be sent to or from a Government Office.

POST CARDS—*(Inland).*

Official Post Cards impressed with a halfpenny stamp; Reply Post Cards impressed with a halfpenny stamp on each portion of them, and private Cards impressed at the Office of Inland Revenue with halfpenny stamps, are available for transmission between places in the United Kingdom only.

The front (or stamped) side is for the address only in addition to the words printed thereon. There must be nothing else written, printed, or otherwise impressed on it. On the reverse side, any communication may be printed or written. Nothing whatever may be attached: nor may the Card be folded, cut, or otherwise altered. If any of these rules be infringed, the Card will be charged 1d. on delivery.

PARCEL POST—*(Inland).*

Parcels *not exceeding* 11 lbs. *in weight* are received at any Post Office for transmission between places in the United Kingdom.

In order that a packet may go by Parcel Post, it must be tendered for transmission as a parcel, and should bear the words "Parcel Post,"—which should be clearly written in the left-hand top corner.

The following are the principal conditions and regulations :—

The size allowed for an Inland Postal Parcel is—

Greatest length	3 ft. 6 in.
Greatest length and girth combined	6 ft. 0 in.

For example—

A parcel measuring 3 ft. 6 in. in its longest dimension may measure as much as 2 ft. 6 in. in girth, *i.e.*, round its thickest part ; or—

A shorter parcel may be thicker ; thus, if it measure no more than 3 ft. in length, it may measure as much as 3 ft. in girth, *i.e.*, round its thickest part.

The rates of Postage are,—for a Parcel,—

Not exceeding 1 lb. in weight - - - 3d.

And the charge after 3d. for the first pound will be *three half-pence per lb.* for every pound, or fractional part of a pound, above the first pound.

Parcels must not be posted in a letter box, but must be taken into a Post Office and handed over the counter, and a parcel should not be left until the weight, size, and postage have been tested by the clerk at the counter. Care must be taken that every parcel bears a clear address.

If a packet bearing the words "Parcel Post," or otherwise clearly marked as intended for transmission as a parcel, is not posted in accordance with this regulation, it is treated as a letter or book packet, if it is fully prepaid at the rate proper to either, and is otherwise in accordance with the letter or book post regulations. If such a packet is not fully prepaid at the letter or book post rate, it will be treated as a parcel, and will be charged on delivery with a fine of 1d., together with the deficient postage, if any, at the parcel post rate.

Parcels which bear on the outside any writing or drawing of an indecent or offensive nature, or within which any contents of a like nature may be observed, and parcels containing gunpowder, cartridges, lucifer matches or anything explosive or liable to sudden combustion, bladders containing liquid, live animals, grossly offensive or filthy matter, and anything in a condition likely to injure other parcels, or any officer of the Post Office, are prohibited.

If any such parcel be tendered for posting, it is refused, or, if detected in transit, it is detained.

Parcels containing fish, game, meat, eggs, &c., or knives, or other sharp instruments, can only be sent if so packed as to prevent all risk of injury to other parcels. Liquids or semi-liquids are not accepted unless in bottles or cans securely stoppered; nor powders, unless so packed that they cannot escape in transmission. Bottles or glass in any form can be accepted only when so packed as to be secure from breakage. If a parcel be tendered in a damaged or insecure condition it will be refused. If a parcel in such condition is observed in transit it is, if possible, made secure and sent forward: but, if it cannot be so secured, it is detained.

Parcels known to contain a letter, packet, or parcel intended for delivery at an address other than that borne on the parcel itself are prohibited.

Parcels addressed to a Post Office to be called for, or to a person residing beyond the free postal delivery, are kept three weeks. At the end of one week, if the parcel bears on the outside the sender's name and address, a notice of the fact that the parcel has not been delivered is sent to him.

Parcels addressed to a ship are kept one month.

If, however such a parcel contains perishable matter it is kept only 48 hours; and should it become offensive, it may be disposed of at any time as the Postmaster-General may direct.

Parcels addressed to a Post Office "to be called for," and only such parcels, are liable to a demurrage charge at the rate of 1d. a day after they have remained in the Office one clear day, counting as a day the period during which the Office is ordinarily open to the public.

No demurrage is charged on parcels addressed to persons residing outside the limits of the free delivery, or to persons on board ship.

In order to facilitate the return of parcels which cannot be delivered, it is most desirable that the name and address of the sender should appear on the outside of every parcel.

For despatch and delivery of parcel mails see Aberdeen Mail Arrangements.

Insurance and Compensation.

Compensation for the loss and damage of inland parcels will be given according to the following scale, provided the parcel is posted in accordance with the regulations for the time being, that the postage and insurance fee be prepaid and a certificate of posting obtained, bearing thereon a receipt for the insurance, if such has been effected, *viz.*:—

I.—Where no fee except postage is paid, the Postmaster-General will give compensation to an amount not exceeding.....£1

II.—Where in addition to the postage an insurance fee of 1*d.* is paid, the Postmaster-General will give compensation to an amount not exceeding....£5

III.—Where in addition to the postage an insurance fee of 2*d.* is paid, the Postmaster-General will give compensation to an amount not exceeding..£10

REGISTRATION—*(Inland and Foreign).*

The fee for registering a letter, newspaper, or book-packet, passing by post between any two places in the United Kingdom, is twopence.

The fee chargeable for registration to places abroad will be found in the column headed "Registration Fee," in the Table of Colonial and Foreign postage.

No letter or other postal packet addressed to initials or to a fictitious name can be registered; nor can any letter be accepted for registration, unless the enclosure can be securely placed so as not to move about, and be covered by a proper and well fastened envelope.

Registered letters, &c., must be prepaid as regards both postage and registration fee; except official letters for Government Offices in London, Dublin, or Edinburgh.

Every letter to be registered must be given to an Agent of the Post-Office and a receipt obtained for it, and should on no account be dropped into the letter-box. If, contrary to this rule, a letter marked "Registered" be dropped

into the letter-box, it will, *if directed to any place in the United Kingdom*, be liable to a registration fee of 8d. instead of the ordinary fee of 2d.

INSURANCE AND COMPENSATION—(*Inland*).

Subject to the general conditions for Registration, compensation for the loss and damage of Inland Registered Letters will be given according to the following scale, provided that a certificate of posting, bearing thereon a receipt for the insurance fee (which must be prepaid) be obtained, *viz.*:—

Money Orders do not require a receipt stamp.

Although at the end of twelve months from that in which it was issued, a Money Order, if still unpaid, becomes legally void, nevertheless, when a good reason can be given for the delay in presenting it, an application for payment, subject to a certain deduction, is entertained.

No application can be entertained for compensation for alleged injury from the non-payment of a Money Order at the expected time.

After once paying a Money Order, by whomsoever presented, the Office is not liable to any further claim.

Postal Orders.

Postal Orders, for certain fixed sums from 1s. up to £1, are now issued and paid at all Money Order Offices in the United Kingdom, and at Malta, Gibraltar, and Constantinople.

The following are the amounts for which Postal Orders are issued, together with the Poundage payable in respect of each Order:—

The person to whom a Postal Order is issued *must*, before parting with it, fill in the name of the person to whom the amount is to be paid, and *may* fill in the name of the Money Order Office at which the amount is to be paid. The person so named must, before payment can be made, sign the receipt at the foot of the Order, and must also fill in the name of the Money Order Office, if that has not been already done.

Limit of Deposits, £150, exclusive of interest.

Post-Office Telegraphs.

TARIFF (INLAND).

The charge for Telegrams throughout the United Kingdom is 6*d.* for the first 12 words, and ½*d.* for each additional word. Addresses are charged for.

Telegrams may be repeated at the request of the sender, if he desires to adopt this extra security against risk of error, by being signalled back from each office at which they are received to the office from which they are forwarded. The charge for repetition is one half the ordinary tariff; a fraction of a half-penny being reckoned as a half-penny.

The cost of a reply not exceeding forty-eight words may be prepaid.

Copies of a Telegram, directed to more than one firm or person in the same free delivery, London excepted, will be delivered separately at an additional charge of twopence per copy.

Figures are counted at the rate of five figures to a word. Fractions are counted according to the number of figures employed, one figure being counted for the mark of division, thus—½ counts as one word, and 109 ⅞ as two.

PORTERAGE.

The sums charged for the transmission of Telegrams cover the costs of delivery by special Foot Messenger within the limits of one mile of the Terminal Telegraph Office, or within the limits of the Town Postal Delivery of that Office, when it is a Head Office, and the Town Postal Delivery extends for more than a mile from it.

When the addressee does not reside within the above described limits, and the sender desires to have his telegram delivered by special Foot Messenger, the charge will be sixpence per double mile or any part thereof. A sum of one shilling per double mile will be charged for the delivery of Telegrams by Cab, Fly, or Horse express.

When the addressee does not reside within the above described limits, and sender does not wish to incur the cost of special delivery, his Telegram may be delivered free of extra charge by the ordinary postal delivery next following on the arrival of his Telegram at the Terminal Telegraph Office.

REGISTERED ADDRESSES.

Any person may register an abbreviated or arbitrary address on payment of a fee of £1 1*s.* a year, dating from the day of registration. The address must consist of not less than two words, one of which is to be the town or place of delivery.

EXTRACTS FROM THE REPORT, 1888.

New Proposals completed were 1734, for (out of £1,236,882 received)	£1,041,247
Total Receipts for the Year	783,675
The Claims by Death (including Bonus Additions*) amounted to	288,865

* These averaged 36·6 per cent. on the Assurances which participated.

Notwithstanding the greater amount at risk, the Claims were considerably less than in the previous year.

The Realised Funds (increased in year by £387,093) amounted, at 31st December, 1887, to £6,115,256.

The Increase of the Accumulated Fund in the last SEVEN years is greater than that of any other Office in the Kingdom.

The expenses were 9 per cent. of the Premiums, and 6 per cent. of the Total Income.

RESULTS OF THE SEPTENNIAL INVESTIGATION.

The Surplus, estimated on the same basis as at last Investigation, which provides for ample Reserves, was reported as **£1,051,036 8s.**, of which two-thirds is to be divided among 9384 Members entitled to participate, the Bonus Additions being somewhat above those of the last Division.

SHORT STATEMENT OF PRINCIPLES.

THIS INSTITUTION combines the Advantages of Mutual Assurance with Moderate Premiums.

The Premiums are so moderate that at most Ages an Assurance of £1200 or £1250 may be secured from the first for the same yearly

payment which would elsewhere assure (with profits) £1000 only—the difference being equivalent to an immediate and certain Bonus of 20 to 25 per cent.

The Whole Profits go to the Policyholders on a system at once safe and equitable—no share being given to those by whose early death there is *loss*. The effect of *reserving* the surplus for the survivors (who will comprise more than half the members) has been that *in addition to* the above immediate and certain advantage, the older Policies have already been increased by reversionary Bonuses of 50 to 80 per cent. and upwards.

Premiums by Different Modes of Payment for Assurance of £100 at Death—with Profits.

Age.	Payable during Life.	Limited to 21 Payments.	Age.	Payable during Life.	Limited to 21 Payments.	Age.	Payable during Life.	Limited to 21 Payments.
25	£1 18 0	£2 12 6	35	£2 6 10	£3 0 2	45	£3 5 9	£3 17 6
30	2 1 6*	2 15 4	40	2 14 9	3 7 5†	50	4 1 7	4 12 1

* EXAMPLE.—A person of 30 may thus secure £1000 at death, by a yearly payment, *during life*, of £20 15s. This Premium, if paid to any other of the Scottish Mutual Offices, would secure (with Profits) £800 only, instead of £1000.

OR, if unwilling to burden himself with payments during his whole life, he may secure the same sum of £1000 by *twenty-one* yearly payments of £27 13s. 4d.—*being thus free of payment after age* 50.

[The usual *non-participating* Rates differ very little from these Premiums—the assurers thus virtually throwing away the prospect of additions without any compensating advantage.]

† At age 40 the Premium, *ceasing at age* 60, is for £1000, £33 14s. 2d., being about the same as most Offices require to be paid during the whole term of life. Before the Premiums have ceased the policy will have participated, on the favourable system of this Office, in at least one Division of Profits.

THE ORIGINAL SOCIETY—ESTABLISHED 1840.

THE GUARANTEE SOCIETY

No. 19 BIRCHIN LANE, CORNHILL, LONDON, E.C.

Empowered by Special Act of Parliament, 5 Victoria—Session 1842.

Suretiship undertaken for the Fidelity of Persons in Situations of Trust, on the yearly payment of a small sum at a stipulated rate per centum.

CAPITAL £100,000 FULLY PAID UP AND INVESTED.

This Society was the first Public Company established in Great Britain to obviate the inconvenience and defects of Suretiship by Private Bondsmen, its Security being adopted by

HER MAJESTY'S GOVERNMENT,

BY

The Bank of England, the Bank of Ireland,
The Council of the Duchy of Cornwall,
The Secretary of State in Council for India,
The Court of Chancery, the Local Government Board,
The Corporation of the City of London,
The Principal Bankers, Railway Companies, Public Companies, and Commercial Firms in the United Kingdom.

The Society, by Special Act of Parliament, is expressly authorised to give security for persons appointed to any office or employment, or Commission, Civil or Military, in any Public Department, or to any office or employment of Public Trust under the Crown.

PERSONS of the highest character and qualifications frequently decline valuable appointments, either from an unwillingness to place themselves and their friends under so serious an obligation, or the great difficulty of obtaining satisfactory Sureties; but the Institution of this Society removes these difficulties.

The GUARANTEE SOCIETY undertakes, for a small yearly premium, to make good to the employer ANY LOSS BY THE FRAUD OR DISHONESTY of the person employed, according to the amount specified in the bond, and therefore obviates the necessity for Private Sureties, as well as the evils arising therefrom, which often prove as prejudicial to the real interests of the employer as to the person finding the guarantee of Private Friends.

Employers, by the existence of the Society, are assured of the continued solvency of the Surety for the person employed, and the security thus becomes a permanent one.

Friends and Relatives are relieved of the fear of those pecuniary losses to which persons are exposed who become responsible for the acts of others.

All necessary information can be had of the Secretary and Agents.

Rates according to the nature of the Employment on the amount of the Security required.

Security granted on behalf of Receivers and Official Liquidators, under the Court of Chancery, on advantageous terms.
